Subject: Dimock - Data Entry Deliverables

Stephanie,

Here are the electronic data deliverables for 1/18 and 1/19. I believe we have already submitted the file for 1/17. Once you upload these into SCRIBE, you should have all the data which meets the 4 home and the select parameter criteria identified in the Data Review Work Plan. We are about half way through the 17 home criteria.

Please let me know if you have any questions with the files.

Thanks,

Suddha Graves
